

Helping improve our industry!

JOIN THE

Alberta Allied Roofing Association

Who are we?

The **Alberta Allied Roofing Association** is a solid and contributing body of professionals trades people that strive to ensure the highest quality of services and materials to our customers.

The Association represents member companies providing residential and commercial services on sloped and flat roof applications. Our Contractor, Supplier & Manufacturer members are committed to providing quality roofing products and services.

We come together to co-ordinate policies and industry requirements that would benefit the roofing industry as a whole. The roofing industry is constantly changing and it is imperative that we, as a group, are informed of these changes and agree to adhere to standards for the good of the industry as well as our customers. We stand by our members and offer support to those new to the Association and the industry,

We believe our Association can make a difference for the Roofing industry by continuing to improve the quality of installations which ultimately will increase the reputation of our roofing trade.

Benefits of Membership

- ◆ Technical advise and support to our members
- ◆ Opportunity to network with contractors, manufacturers and suppliers.
- ◆ Provide a forum to discuss industry related issues and concerns.
- ◆ Group representation on issues affecting the industry
- ◆ Apprenticeship enrollment assistance
- ◆ Reduced cost of training programs offer by the Association.
- ◆ Participation in Association events such as golf tournaments, seminars & other social functions.

How do we operate?

We are a non-profit Association and are funded by the membership dues collected. We operate on a calendar year and any members joining during the calendar year will be offered a pro-rated membership. Our Association office operates Monday through Thursday from 8:00 AM to 4:00 PM.

The Association office handles consumer and industry related issues, organizes our monthly meetings, including providing technical speakers, organizes our social events and represents our industry with various government and industry partners.

To become a member of the Alberta Allied Roofing Association

Your company must:

- ◆ generate the majority of your annual income from providing roofing services.
- ◆ have a regional business license, including a city business license for a minimum of **two years**.
