

ELWOOD HILLMAN SCHOLARSHIP APPLICATION **(Funded by the Members of the Alberta Allied Roofing Association)**

The Alberta Allied Roofing Association is committed to assisting Roofing Trades People in growing their knowledge and skills, resulting in improved workmanship and professionalism of the Roofing Industry. The Elwood Hillman Scholarship was created to support Roofing Trades People who have shown their commitment by registering and completing classroom training provided by the Alberta Apprenticeship and Industry Training. Each year this scholarship program will provide **two Roofing Apprentices** with a \$750.00 scholarship. The Alberta Allied Roofing Association Board of Directors has the right to change the amount paid for each recipient and the number of scholarships award, if required. *The scholarships will be awarded to first, second or third year Apprentices based on the criteria below.*

Eligibility

To receive the Elwood Hillman Scholarship, you must:

- be a Canadian citizen or permanent resident; and
- be an Alberta resident; and
- be employed by a current Alberta Allied Roofing Association Member; and
- be registered as an Alberta apprentice in the Roofing Trade; and
- have completed an apprenticeship class between January 1, 2017 and December 30, 2017.

You must attend technical training in order to receive your scholarship cheque. Apprentices who chose to challenge the Apprenticeship and Industry Training exam will not be eligible for this scholarship. Only technical training that is part of the regular Roofing Apprenticeship Training Program will be recognized for payment of scholarship awards.

To be considered for the Elwood Hillman Scholarship, you must:
